

Public Consultation Invitation

Come and meet us to find out more about our plans for the redevelopment at 58-70 Church Road, to be known as Al-Hidayah Cultural & Community Centre.

Our proposals include:

Improved mixed-use community facilities on the ground, first and second floors, including a multi-space hall, café and retail space, multi-purpose community spaces and ancillary office space.

38 new homes, above the Centre, which will secure the long-term future of the Centre.

High-quality and sensitive design, at 11-storeys high, which will complement the surrounding area and respects neighbouring amenities.

Car-free development with the exception of accessible spaces.

Sustainable development with the installation of green infrastructure, creating attractive landscapes and supporting biodiversity.
